Hey there Adele!

It’s finally our favorite time of year, time for everyone to be thankful. We love to give thanks to our donors, advocates and our volunteers. Without them, we couldn't accomplish our work across the Mississippi Gulf Coast.

Along with the time for giving thanks, comes the time for togetherness and being home with family for the holidays. Many people can not afford adequate housing, and in turn do not have a place they can call home this holiday season.

With that in mind, we ask that you keep those without a decent home in your prayers this holiday season. Also, if you wish, you can visit here to make a donation and help make affordable housing a reality. Together, we can reach $20,014 by 2014 to help families across the Gulf Coast.

And as always, if you have any questions or just want to say hello, we would love to hear from you.

Wishing you and yours a lovely Thanksgiving,

Adele Lyons - Director of Development
