Women Build
2018

The walls have gone up for Women Build, now it's time to rappel down for HANG OUT WITH HABITAT!!

That's right YOU can rappel 300 feet down the IP Casino Resort Spa!! It's an exciting, high adrenaline experience, unlike any other! NO experience necessary, just a drive to make a difference!

Why Rappel? Since January 2018, more than 70 families have inquired about Habitat for Humanity of the Mississippi Gulf Coast's programs seeking a resource to help them repair their home, while living on a limited income. Many need roofing repairs, some need flooring, and others need help making their homes handicapped accessible. Habitat Mississippi Gulf Coast is now calling on you to help us help these families.

"Habitat is most well-known for its new home construction, but we are excited to share some of the other great programs we have to offer through this year's Hang Out with Habitat," says Director of Resource Development, Lindsay Avery.

INDIVIDUAL AND TEAMS CAN RAPPEL
