

2019 Fundraising, Prizes & Donations Policy

All donations made to, for and in the name of Habitat for Humanity of the MS Gulf Coast are non-refundable, non-transferrable and non-negotiable.

Funds designated to a specific fundraiser will be applied to that fundraiser's goal and will not be moved to another fundraiser's account nor given back to either the fundraiser or the donor. One fundraiser cannot give another fundraiser monies already received by Habitat MS Gulf Coast including, but not limited to, electronic transfer, credit/debit transaction, cash or check.

Once funds have been designated to a specific fundraiser's account they will remain on that fundraiser's account.

If a fundraiser decides to stop pursuing the goal then funds that have already been received by Habitat MS Gulf Coast will not be moved, transferred, refunded or otherwise shifted.

All fundraisers that are using the peer-to-peer fundraising website officially being used for the event www.hangoutwithhabitat.com must have one person per page. Pages cannot be combined and fundraisers cannot use one account to raise funds for more than one fundraiser. Funds will not be moved amongst peer-to-peer fundraising pages.

Any fundraiser that uses a peer-to-peer fundraising website other than the official Hang Out with Habitat 2019 page managed by Habitat MS Gulf Coast will be responsible for any fees accrued. The fundraiser has full responsibility for withdrawing the funds and turning the funds in to Habitat MS Gulf Coast by the deadline(s) indicated. The fundraiser will be credited for the actual amount turned in to Habitat MS Gulf Coast and will not be credited according to what their peer to peer fundraising page reflects.

If a fundraiser fails to meet their goal and is, therefore, exempt from the event, the funds received by Habitat MS Gulf Coast will not be refunded, transferred or moved.

For the purpose of the contests and incentives run by Habitat MS Gulf Coast, the definition of a "donor" is one who makes a donation and provides accurate first and last name, email address and/or mailing address. Contact info must be complete and up to date to qualify for any contest.

Fundraisers are not eligible to win all/both grand prizes. If a fundraiser does qualify to win all/both grand prizes the fundraiser will be awarded the prize package with the higher value. The remaining prize package(s) will be awarded to the next eligible fundraiser.
