As we prepare to enter a new year and a new decade, we look to the future. The future of a new homeowner who can make a forever home and not worry about moving again, where their children can thrive in a stable home. The future of a current homeowner who is on a limited income and cannot make necessary repairs to their home to have a safe place to live. The future of an individual or family who is struggling to make ends meet and are looking to get back on their feet financially and can benefit from financial coaching.

Habitat Mississippi Gulf Coast looks forward to another year of providing the opportunity of safe, affordable housing opportunities and financial education in our community.

Below are a few ways you can get involved with Habitat MS Gulf Coast!

Volunteer

every one can make
a difference

We would like to thank all the individuals and corporate partners who have volunteered with us in 2019 and look forward to seeing you return in 2020.

WOMEN BUILD 2020!

Habitat for Humanity of the Mississippi Gulf Coast will be hosting our annual Women Build fundraiser from March to May 2020. These weeks will be dedicated to empowering women on the construction site while raising funds towards Habitat's mission on the Coast and then having the opportunity to work on site. Pictured above, are our Women Build chairs, **Mandy Mahan, Nicole Miller-Martz, Karol Brandt, and Cheryl Cooper**. We are extremely grateful for the time and talent of each of these ladies in leading this year's event!

Women Build brings together Mississippi Gulf Coast area women (and men) as they grab their hammers and volunteer along with more than 17,000 women from across

the country who are expected to volunteer at Habitat construction sites to help create a world where everyone has a decent and affordable place to call home.

Families with children with a female head of household make up a staggering number of those in need of adequate housing. More than 12 million children - one in six - live in poverty housing in the United States alone.

As women, let's stand together to help house those in need.

Interested in being a team leader, joining a team, or being a sponsor? Email us at tellmemore@hfhmgc.org, call 228.678.9100, or reach out to one of our chairs.

Finally, we ask that if you have not made your year-end donation to please do so. We greatly appreciate your continued support of Habitat MS Gulf Coast and our mission of *Opportunity Transforms...Empower People*.
