## HOUSE DEDICATIONS

welcome home

Habitat MS Gulf Coast, in collaboration with Catholic Charities of South Mississippi, and many other entities, came together to bring strength, stability and self-reliance back to three homeowners who lost their homes due to unrepairable damages sustained from Hurricane Zeta in 2020. The process of rebuilding after a hurricane

is challenging and can take many years. We are inspired to see that despite several obstacles faced, everyone involved persevered and remained committed to the cause. Providing a safe and secure place for these homeowners to call home helps them regain stability and contributes to the overall recovery and rebuilding process of the community as a whole.

## OUT AND ABOUT

Our Client Services Program Specialist in Education and Coaching recently attended the Community Fun Health Day at Gaston Point Community Center. The day offered free health screenings, dental screenings, cooking demos and Mrs. Allena provided participants information on all programs provided by Habitat. Mrs. Allena made many good contacts with her outreach and some of her favorite "clients" were the children who loved getting a HabiTAT.

Financial Education Class

## FINANCIAL RECOVERY

Designed to bring hope to families struggling to recover from a financial setback, this course will equip participants with proactive, practical strategies for getting back on their feet. The objective is to help participants visualize a brighter future and realize that their current financial difficulties don't have to be permanent.
