

HABITAT ON THE HILL

This month, our CEO, Chris Monforton, attended Habitat on the Hill alongside hundred of fellow housing advocates in Washington, DC. Together, they united their voices for home affordability and sought support of vital programs and policies to address the affordable housing crisis. Chris engaged with congressional offices, fostering connections with peers in our nation's capital to devise strategies aimed at advancing home affordability.

Our 2024 Financial Foundation courses are underway! Financial Foundations is a personal finance coaching and education program designed to offer participants the resources and support they need to live a life free of financial worry

Our Client Services Department offers the following classes, free of charge, and anyone may attend:

- Power Hour: Spending Planning 101
- Financial Foundations
- Financial Recovery
- The Credit Game: How to Play & Win
- Homeownership 101
- The Benefits of Banking
- Identity Theft
